Moore and Moore Doors, are not only of the highest Italian manufactured quality, with a wide range of designs, together with design details that are easy to install., but also furnish and set your home apart., All doors are guaranteed, certified and from renewable sources.

Need to know information

Complete Sets - A Door Set complete with the door, frame, architraves and all ironmongery but not the levers which we quote for separately due to the wide range of designs and quality available.

Door Sets are supplied either pre-hung in their frames or as flat pack kits. All sets will be pre-finished with only the levers to add. Everything else is fitted in the factory production process for that perfect finish.

Quick - The system allows for a rapid installation into prepared openings right at the end of the project and just before the carpets are laid. Frames stand on any hard flooring so no cutting and grouting around frames.

Time and cost saving - decorators have no need to protect doors or cut in around the architraves as the architraves cover the edges of the door opening – the same applies with the skirting. Door Sets are fitted after all trades have finished their work which minimises the risk of damage. Our Door Sets are as special as your furniture!

Made to Measure - Door Sets come ready prepared to fit for your prepared structural door openings.

Space Saving Options - Pivot Rotating, Pocket and Face Hung Sliding not forgetting folding door options.

Accessorise

Stunning Ironmongery Options and choice of finishes of ironmongery including pivot hinges, hidden hinges all available in satin or polished chrome or brass. Magnetic latches are usually standard.

The Architraves are supplied and are an integral part of the door sets. For the Designer Touch add matching skirting, wall paneling, flooring and wardrobes with a wide range of internal fitments also suitable for dressing rooms.

Fire /Fire and Acoustic options available with drop down pin operated blades available

Other Benefits of using Moore & Moore Door Sets

We usually anticipate that 10 – 12 doors can be fitted into prepared door openings in a day. Knowledgeable and friendly service backed up by 40 years of technical experience.

Manufacture lead times are usually 8 weeks plus 1 week for shipping from date of factory confirmation of order. To book manufacture Moore and Moore Doors (UK) Ltd will require a 50% deposit with the balance due 10 days before shipping.
