

STEP 2 - Choose your door by Budget

At Moore & Moore Doors, we appreciate that whilst our customers have an overall budget, we don't believe you should compromise quality versus cost but we do hope that you will find the following price guide based on the 1L model of each brochure of assistance. The quality of ironmongery is the same for all ranges but as you will appreciate a hard wearing and stylish laminate can help stretch the budget a little further, thereafter you can choose between the standard lacquers, lacquers in RAL, matt and high gloss finishes, oak veneers and solid oaks.

Call us on 01752 547435 or direct on 07977 472750 to request samples

[All Models except the Avio are supplied as pre-hung door sets](#)
